Curated experiences that offer deep connection to culture and place await.

LIFE ON BOARD

A Culinary Expression

Drawing from both land and sea, four signature restaurants take guests on a journey of culinary discovery guided by seasonality. Inspired by a reverence for place, each restaurant aboard Amangati delves into heritage, from Japanese artistry at Akari and Mediterranean traditions at Alira, to the elemental flavours of Aman Grill.

A Journey to Savour

Alira

Infused with the spirit of the ocean, Alira expresses the purity of Mediterranean cuisine. From sun-drenched Greek islands to the lemon groves of Amalfi, the open-air venue finds harmony in fresh, seasonal ingredients and daily dishes inspired by the flavours of each stop on the journey.

Akari

Akari pays homage to Japan's washoku tradition, a culinary philosophy focused on seasonality, balance and artful presentation. When the occasion calls for intimacy, a seven-seat omakase counter presents bespoke tasting menus, while the finest rice wines and curated flights are served at the Sake Bar.

Hiori

Named after the Japanese term for a flickering flame, Hiori celebrates the art of teppanyaki. Behind the ten-seat counter, master craftsmen create dishes with precision and expertise. From hand-rolled sushi to wagyu flamed on the grill, each course unfolds with practised theatre and ceremony.

Aman Grill

An homage to the elemental art of the grill, Aman Grill serves prime meats, fish and seasonal vegetables in quiet precision, together with sommelier-led wine pairings. An arc of intimate nooks and atmospheric seating, the space moves seamlessly from low-lit interiors to an al fresco terrace.

Private Dining Room

The most discrete dining experience aboard Amangati, designed for special occasions and private dinners. Framed by ocean views on one side and a walk-in wine cellar on the other, this exclusive space can also be used for guided wine tastings and intimate celebrations.

In-Suite Dining

A curated selection of refined classics, destination-inspired dishes and light options, crafted for in-suite enjoyment at any time of day or night.

Daily Rituals and Ocean Rhythms

Every moment aboard Amangati is shaped around natural rhythms that transition between day and night — moments of quiet countered by elevated entertainment. Late morning sun and fresh juices at the Pool Bar followed by fine wines at The Bar at Aman Grill. As evening unfolds, soulful sounds drift from The Jazz Club, where craft cocktails and music flow with ease, and intimate film screenings present in the Cinema — an effortless expression of life at sea.

Elevated Moments at Sea

The Jazz Club

Inspired by The Jazz Club at Aman New York, this is a sophisticated stage for live performance and soulful sounds. Choreographed service is seamless, offering late-night bites and craft cocktails. Refined interiors open onto a terrace, where smoky vocals and sax solos drift on the air.

Cigar Lounge

In a quiet corner, the Cigar Lounge is a place of timeless ritual and unhurried conversation. Premium cigars presented in a walk-in humidor are served alongside a selection of aged spirits — enjoyed indoors in sumptuous surrounds or on the terrace.

The Bar at Aman Grill

A refined space focused on classic cocktails, barrel-aged whiskies and an extensive list of fine wines that extends the elemental ethos of Aman Grill into the glass. The perfect spot to savour an intimate aperitif or linger over a nightcap.

Sake Bar

Adjacent to Hiori, the Sake Bar introduces guests to a curated selection of premium sake from Japan's finest breweries. Guided tasting flights bring out a spectrum of distinct flavours — a prelude or extension to Hiori's immersive dining experience.

Cinema

An intimate screening room with 12 reclining seats, refined acoustics and a generous screen — ideal for private family film nights or onboard screenings. From classic cinema to destination-inspired features, each showing is an opportunity to escape in curated comfort.

Youth Lounge

Dedicated to young explorers from age six to 15, the Youth Lounge engages with a variety of activities from virtual reality surf simulators, foosball and gaming consoles to arts and crafts.
